DISTRICT 5 FOUNDATION

OUR MISSION, YOUR IMPACT

We Believe...

Every child at every school in our district deserves access to the essential resources and creative approaches that inspire learning. We raise funds to make these advanced learning experiences a reality. Impacts are felt amongst every school in D5.

When Tragedy Strikes

Your gift allows us to support D5 Students and families on their worst day by providing funds to purchase items like emergency housing, clothes, beds, and other emergent needs following catastrophic losses associated to fires and floods.

Tackling Food Insecurity at Home

As a supporter of the D5 Foundation, you are helping us provide meals to our district's most at risk students via the Snack Pack Program. We partner with 17 other local organizations to provide easy to prepare meals to cover weekends, when students don't have access to school nutrition. Our more than 600 enrolled program recipients can be found in every one of our all 26 schools across our district.

\$10 COVERS 1 WEEKEND OF MEALS FOR A CHILD IN NEED!

Funds to Support Learning

Imagine an educator or a student having a brilliant idea to further the learning in their classroom, but are limited by the costs. That's where the D5 Foundation steps in by providing grants to teachers and students to fund their projects. Last year we awarded 14 teacher grants and funded the ideas of 69 students.

Teacher Grants

Student Research Grants
